PN: Collecting 'freshly laid' eggs. YUM!

N: Revising our ABCs.

LK: Mmmm! We can match the beginning sound.

UK: Learning to read sentences with picture clues.

English Language and Phonics News:

PN Classes have been learning all about animals and who lives 'on the farm' or 'in the wild'. Children have engaged in lots of role-play such as 'milking a cow' and feeding various animals with the correct food.

N Classes are becoming more confident each day in their letter and sound recognition. They are almost ready to start their next challenge - learning to hold a pencil and preparing to be able to write all the letters from a-z!

LK Classes continue to develop their letter formation skills and their classwork and homework is becoming neater and more in proportion each week. Let's remember: 'Tall letters reach from the 'grass to the sky'; 'Small letters stay in the grass' and 'Long letters stay in the grass and reach down to the ground'.

UK Classes have been introduced to the fact that there are actually 44 sounds in English, not just 26 letters in the alphabet. They have learnt the terms 'digraph' and 'trigraph' and now recognise that sounds can be represented by 1, 2 or even 3 letters!

We would like to wish everyone a healthy and prosperous Lunar New Year from Ms Anna and Mr Jojo 🐉.

Teacher's Corner 老師的話:

It's now the 2nd Semester and it's a pleasure to see the children growing and maturing. Now we can see children progressing; they can express their needs and call their friends by name as well as enjoying playing together with them. Children enjoyed the 'Animal' theme by sharing and playing with different animal toys. They also loved the pretend play in their favourite theme 'Transportation'. Wishing you all a very happy Year of the Horse.

Class News 我們的近況:

The past two months have been filled with rich learning and vibrant celebration in our classroom. Guided by their natural curiosity, the children embraced meaningful traditions and hands-on projects with great enthusiasm. We welcomed the winter season with a heartwarming Dongzhi celebration, sharing traditional stories and treats. Building on this theme of care, our 'Healthy Habits' project turned students into food explorers—they investigated nutrition, designed their own 'healthy fridge' art, and learned how food fuels our bodies and minds.

Our Chinese Culture Day added another layer of joy, as students expressed themselves through beautiful traditional art forms. We are incredibly proud of their curiosity and collaboration, and we look forward to the learning ahead.

In January, UK1 went to Sha Tin Road Safety Park - a very exciting field trip to learn about 'road safety' as drivers, passengers and pedestrians. There was also a visit from a Chinese orchestra who told the legendary story of Chinese New Year through the medium of music and storytelling. Afterwards everybody got the chance to play the traditional instruments.

In February, UK1 visited Rhine Garden Restaurant to experience serving themselves and each other in a traditional Chinese dim sum restaurant; everybody showed excellent table manners. They also enjoyed a Zootopia themed birthday party full of games, fun and laughter! The highlight of the last 2 months was our Disney Grad Day where we got to meet Mickey in his cap and gown and then everybody got to play with their friends and families.

UK3 have had a very busy 2 months! The calendar has been packed with outings, field trips and special activity days at school.

During the Healthy Eating theme children embarked on a world of discovery of how the Food Pyramid is formed and what a balanced diet consists of. Everyone enjoyed using air-dry clay to make their own 'healthy BBQ skewers' and demonstrated their excellent fine motor and creative skills.

Children engaged whole-heartedly in the 'I Live in Hong Kong' theme giving in-depth descriptions of the places they have visited and where they like to spend their leisure time. They became more aware of the geography of Hong Kong and luckily knew exactly where Disneyland is located for their special day!

A visit from a Chinese orchestra helped children learn more about traditional instruments.
