English Language and Phonics News:

WOW! What another wonderful, successful and exciting school year we have had in the Language Department. We have been amazed by all the hard work, effort and joy the children have shown throughout the year. Their hard work has paid off; each and every one of the students is fully equipped with the knowledge they have acquired during their time in their current class to tackle the challenges the next level of their educational journey brings.

It is with great sadness that we will say goodbye to our UK graduates and 2 of our LK graduates as they embark upon their primary school life, but we wish them all the very best and good luck for their future studies.

As the temperature increases and the summer holidays approach we would like to wish everyone a relaxing and fun summer – we can't wait to see many of you back in September for another year of fun learning!

We celebrated friendship and adventure with a 'Toy Story' themed birthday party, and it was wonderful to see the children so engaged in imaginative play and teamwork. They came dressed as their favourite characters, worked together on fun activities, and learned valuable lessons about loyalty, kindness, and standing up for one another, just like the beloved toys in the movie. The excitement and laughter filled our room, and it was a day we will all remember fondly.

Our Science theme sparked curiosity as we conducted experiments and asked big questions about the world around us. From observing chemical reactions to exploring the wonders of nature, the children transformed into little scientists, eager to hypothesise, test, and discover.

The road ahead will bring new challenges – more homework, new teachers, and unfamiliar routines – but remember: you are more than ready for all of it.
