## English Language and Phonics News:

Hello everybody and welcome to the English Language Department with Ms Anna and Mr Jojo. We are so excited to have kicked off the 2024-2025 school year with a bang 🎉.

Let's investigate 📍 where and what we will be teaching this year:

- Mr Jojo will be teaching English through stories in PN classes.
- Mr Jojo will be teaching Phonics in N and LK classes.
- Ms Anna will be teaching Phonics in UK classes.

On Fridays Mr Jojo and Ms Anna will join together for 'Fabulous Fri-YAY' - a day always filled with fun, frolics and laughter! 😊

*Let's look at the curriculum for the year ahead:*

Our PN Language Programme is underpinned by the philosophy of 'learning through play'. Children will engage in a wide variety of activities such as games, role-play, music and singing using a story-based programme. Using this approach supports PN children to enhance their communication and language as well as their personal, social and emotional development 😊.

Our Kindergarten programme focuses on a language and literacy journey by utilising a synthetic phonics approach. Each level has been specially curated to enhance and support classroom learning and develop children's phonemic awareness. We conduct our lessons using a multi-sensory and fun approach to learning how to read, write and spell 📖✍️📚📖.
