Language Corner: English

Meet the Teachers

Hello everybody, I am Ms Anna! I am originally from the UK but I have been working at PIPS since 2006. I have 2 children, a 10-year old son and a 15-month old daughter. I love coming to school every day to work with PIPS children; helping them develop their English language skills through lots of interactive and hands-on activities. I believe that reading is the key to success in learning a language so get those books out and let's read and share as many as we can!

This year I will be the English language teacher for all the UK classes, I'm really excited to extend children's phonics knowledge and start their reading, writing and spelling journey! If you have any questions, please don't hesitate to come and ask me.

Hello my name is Mr Jojo. This year I will be the English language teacher for all N and LK classes. Before working in the kindergarten, I worked for 8 years as a Pre-Nursery English class teacher at PIPS- Rhine Garden International Nursey.

I enjoy working with children and the opportunity to watch them grow and flourish. I believe that some of the most important skills to have when working with children is patience, flexibility and love. I am originally from The Philippines. I moved to Hong Kong a long time ago. I enjoy movies, cooking and cycling with my wife.

Hello! I'm Miss Chris and I'm the English Language Teacher for PIPS Pre Nursery. I moved to Hong Kong 18 years ago and I've been at PIPS RG Pre Nursery since 2012. I enjoy encouraging the children's Language skills through stories, songs and play. It's great to see just how much they learn and grow in the school year!
